

Final Reflection Questions for the Certificate in Service Learning

Please respond to all 6 questions and number each of your answers. Your overall response to the 6 questions should be at least 600 words. Through your essay, you should reflect on all volunteer and service learning experiences you submitted to meet the 60 hours of service for the certificate.

All responses need to be submitted through myKU Portal. We highly recommend that you type your response in a word document and cut + paste your essay into myKU Portal. myKU Portal will time out automatically after 30 minutes.

1. What was the community need you addressed in each of your service/volunteer experiences?
2. Did your service experiences make you aware of some of your assumptions and/or impact you can have on meeting a community need? If so, in what way?
3. Did your service experiences encourage you to consider perspectives other than your own?
4. In what way did your service experiences at KU help you understand or define citizenship?
5. Have your service experiences affected your future goals and endeavors? (major affirmed/changed, volunteering, company choice, etc.)? If so, how?
6. How does your field of study contribute to the common good?

Optional: If you would like to provide us with a very short quote, please do so here. By completing this section, you are giving us permission to use your statement in our promotional materials

Complete one of the following thoughts OR create your own:

- I want the service learning certificate because
- The things that affected me most about my experience was
- I would recommend service learning because
